Hi Mike,

Whatever is easier (and quickest). I think a new tree would look best if that is possible, if not, fill with concrete. I received a complaint from a person visiting a friend at 620 S Gramercy that he tripped and fell, so that is why I contacted Cairo. Could you let me know when it is filled?

Thanks!

Hi Cairo,

There is an empty tree well in front of [620 S. Gramercy](#). Do you have a contact at BSS that can refill it right away? It is on the parkway.
